The energy of its inhabitants, the beauty of its public buildings, seat of learning, broad and well regulated thoroughfares, placed on the shores of Lake Ontario, among the many business firms, none stand more deservedly high than the house of E. Hooper & Co., Pharmacists. A rare skill, extensive and long experience in manipulating and compounding of medicine, and a determination that nothing but pure Drugs shall emanate from their establishment, has carried the firm to the highest pinnele of financial success. Giles' Liniment Iodide Ammonia and Giles' Pills are by them considered as a most vatuable addition, and in all cases of enlarged Joints of the Hand or Feet, Neuralgia, Chronic or Inflammatory Rheumatism, superior to any remedy now known.
